Feeding South Dakota is a proud member of Feeding America, the nation's largest domestic hunger-relief organization. Feeding America is a network of 200 member food banks that engages our country in the fight to end hunger.

## Important Reminders

CSFP agencies: Feeding South Dakota is required to maintain a list of all participants of the CSFP program. Please email, mail, or fax a list of your CSFP participants EACH MONTH by the shipping date of your boxes.

Please remember that children under the age of 11 are not permitted in the warehouse.

**CLOSED NOVEMBER 23 & 24**

Every year, thousands of our friends and neighbors depend on you to help them get through hard times. We are grateful for the difference you make, and thank you for partnering with us at Feeding South Dakota to end hunger in our communities.

## COMING SOON!

In an effort to increase communication with our agency partners, we will be moving our monthly communication to a standing web page for agencies at our website [www.feedingsouthdakota.org](http://www.feedingsouthdakota.org). This will allow us to include additional months in our delivery schedules for your area, and also contain information useful to our agency partners in a more easily accessible format.

# Hunger Facts

Feeding South Dakota supplies more than 2,900 food boxes to hungry seniors each month through their Commodity Supplemental Food Program.

## CSFP

The Commodity Supplemental Food Program is a USDA food program for people over 60 years of age that are at or below 130 percent of the Federal Poverty Income guidelines. Sioux Falls and Pierre Food Banks operate this program, working with partner agencies to distribute the box of food once a month.

## Contact Us:

For more information about CSFP, please contact:
