Feeding South Dakota is a proud member of Feeding America, the nation's largest domestic hunger-relief organization. Feeding America is a network of 200 member food banks that engages our country in the fight to end hunger.

## Important Reminders

Please place your order 48 hours prior to your delivery date or pickup date.

Contact the warehouse at 348.2689 if you have any changes to your scheduled pickup date.

## CLOSED NOVEMBER 23 & 24

Every year, thousands of our friends and neighbors depend on you to help them get through hard times. We are grateful for the difference you make, and thank you for partnering with us at Feeding South Dakota to end hunger in our communities.

## COMING SOON!

In an effort to increase communication with our agency partners, we will be moving our monthly communication to a standing web page for agencies at our website [www.feedingsouthdakota.org](http://www.feedingsouthdakota.org). This will allow us to include additional months in our delivery schedules for your area, and also contain information useful to our agency partners in a more easily accessible format.

# Hunger Facts

Feeding South Dakota supplies more than 2,900 food boxes to hungry seniors each month through their Commodity Supplemental Food Program.

## CSFP

The Commodity Supplemental Food Program is a USDA food program for people over 60 years of age that are at or below 130 percent of the Federal Poverty Income guidelines. Sioux Falls and Pierre Food Banks operate this program, working with partner agencies to distribute the box of food once a month.
