AGENCY RELATIONS NOTES

COMING SOON!

In an effort to increase communication with our agency partners, we will be moving our monthly communication to a standing web page for agencies at our website
www.feedingsouthdakota.org

This will allow us to include additional months in our delivery schedules for your area, and also contain information useful to our agency partners in a more easily accessible format.

Hunger Facts

Feeding South Dakota supplies more than 2,900 food boxes to hungry seniors each month through their Commodity Supplemental Food Program.

CSFP

The Commodity Supplemental Food Program is a USDA food program for people over 60 years of age that are at or below 130 percent of the Federal Poverty Income guidelines. Sioux Falls and Pierre Food Banks operate this program, working with partner agencies to distribute the box of food once a month.
